

Travelling from Saltash Station

Tickets

Saltash is an unmanned station. You do not need to buy a ticket before you board. You should buy a ticket either on the train or at your destination. You will not pay more for your ticket because of this. Exactly the same tickets are available with the same rail card discounts as at a normal ticket office. Make sure you buy your ticket to or from Saltash, we need the passenger numbers.

Information

Timetables are available at the station along with other relevant information. A real time information point is available on Platform 2 (the little BLUE Box) and will give information on trains within the next hour.

Parking

The approach road to the station is for rail users only and parking is FREE. There are two disabled parking bays. There is also on-street parking close by, and 'Pay and Display' all day parking is available at Alexandra Square Car Park, only a 2 minute walk.
